REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. 1.322 & 1.323

SIR:

Applicants hereby request that the enclosed Certificate of Correction be issued for the above Patent under authority of 35 U.S.C. §§ 254 and 255.

A Request for Certificate of Correction was filed on June 30, 2004 but not considered by the Office. The instant Request for Certificate of Correction incorporates the corrections requested on June 30, 2004, and to correct typographical errors reflected in the Certificates of Corrections dated November 13, 2004 and May 3, 2005 as related to the parenthesis and the “}” symbol in column 11, line 32.

The changes represent typographical errors by the Applicants and the USPTO. The changes would not add new matter, require re-examination or materially change the scope or meaning of the patent. For instance, the replacement of the oval symbol with --X-- in column 12, lines 3, 33 and 48 is supported by page 21, line 34, page 22, line 31 and page 23, line 13 of the application.
